# MaxiFlex® Endurance™

## 34-844

Designed for dry environments where comfort and performance matter, MaxiFlex® Endurance™ gloves feature an additional dotted palm coating for extra cushioning. This helps support the hand during repetitive tasks and heavy handling, reducing fatigue without compromising flexibility or dexterity.

Engineered for lasting comfort, they combine protection and breathability, making them ideal for demanding tasks that require precision and extended wear.

**360° Breathability thanks to AIRtech®**

Featuring our patented micro-foam coating, these gloves keep your hands cool and dry by efficiently channeling moisture and heat away from the skin.

**Extreme Durability thanks to DURAtech®**

18,000+ abrasion cycles.
Fewer glove changes. Lower costs. Less waste.

**Precision You Can Feel**

30% thinner than standard foam nitrile gloves. ERGOtech® delivers ultra-light, form-fitting gloves built for total control in dry conditions.

**Touchscreen Compatible**

Use devices without removing your gloves. Stay connected, efficient, and protected on the job.
