

MaxiFoam®

34-800

MaxiFoam® 34-800 offers a lightweight foam nitrile coating that helps maintain grip in oily or slightly wet environments. The 15-gauge seamless liner provides flexibility and comfort for routine assembly and handling tasks. With good abrasion resistance and minimal strikethrough, it is a reliable choice for general industrial use.

Mechanical Performance

MaxiFoam® delivers level 4 abrasion resistance and strong overall mechanical protection, supporting repeated use in industrial environments.

Comfort and Skin Friendliness

Minimal strikethrough reduces irritation and increases comfort levels.
