MaxiCut® Ultra™

89-5745

The MaxiCut® Ultra™ Sleeve extends cut protection providing secure forearm coverage for tasks that demand both reach and reliability.

Made with CUTtech® fibre technology, it delivers EN 388:2016 Cut Level C protection in a lightweight, flexible design that won't restrict movement. Whether reaching into machinery or handling sharp materials, this sleeve ensures you stay protected from wrist to elbow and beyond. Featuring a seamless construction and part of ATG®'s HandCare® programme, it is pre-washed, OEKO-TEX® certified, and dermatologically accredited for skin-safe, all-day comfort.

Forearm Coverage

Protects beyond the wrist while allowing full arm mobility.
Balanced length for a wide range of tasks without restricting movement.

Stay-Secure Fit

Integrated thumb system keeps the sleeve in place during movement.
No slipping, bunching, or distraction just secure, all-day coverage.

Extended Coverage

Longer sleeve length safeguards more of the arm without restricting movement.
Perfect for applications involving sharp materials, metal edges, or repetitive motion.

Skin-Friendly & Pre-Washed

OEKO-TEX® certified, dermatologically accredited, and pre-washed for immediate skin-safe use. Part of the ATG® HandCare® programme for long-term wearer wellbeing.
