

NovaTril®

24-196

Novatril® 24-196 provides reliable protection and grip for regular work involving dry, wet or oily components. The durable nitrile coating resists oils and abrasion, while the cotton liner and ventilated back offer comfort during day-to-day industrial use.

Durable Nitrile Coating

The light but tough nitrile coating provides dependable protection and supports precision handling without added bulk.

Comfortable Liner

The seamless cotton liner enhances wearer comfort and reduces irritation, supporting longer periods of continuous use.
