

MaxiCut® Ultra™

89-5745CH

The MaxiCut® Ultra™ Sleeve extends cut protection and thermal protection providing secure forearm coverage with added contact heat protection for tasks that demand both reach and reliability.

Made with CUTtech® fibre technology, it delivers EN 388:2016 Cut Level C protection in a lightweight, flexible design that won't restrict movement. Whether reaching into machinery or handling sharp materials, this sleeve ensures you stay protected from wrist to elbow and beyond. Featuring a seamless construction and part of ATG®'s HandCare® programme, it is pre-washed, OEKO-TEX® certified, and dermatologically accredited for skin-safe, all-day comfort.

Forearm Coverage

Protects beyond the wrist while allowing full arm mobility. Balanced length for a wide range of tasks without restricting movement.

Extended Coverage

Longer sleeve length safeguards more of the arm without restricting movement. Perfect for applications involving sharp materials, metal edges, or repetitive motion.

Stay-Secure Fit

Integrated thumb system keeps the sleeve in place during movement. No slipping, bunching, or distraction just secure, all-day coverage.

Skin-Friendly & Pre-Washed

OEKO-TEX® certified, dermatologically accredited, and pre-washed for immediate skin-safe use. Part of the ATG® HandCare® programme for long-term wearer wellbeing.
