MaxiDry® Zero™

56-451

Built for those who work in cold and challenging conditions, MaxiDry® Zero™ delivers the same comfort, grip, and liquid repellency as MaxiDry, with the added benefit of thermal insulation. Whether indoors or outdoors, it keeps hands warm, dry, and protected without sacrificing dexterity or flexibility. Designed for dry, wet, oily, and freezing environments, MaxiDry Zero ensures controlled comfort, protection, and performance when it matters most.

Enhanced Grip

With an optimized micro-cup finish, GRIPtech® ensures a secure, controlled grip, minimizing slippage and enhancing safety.

Certified Liquid and Chemical Repellency

LIQUItech® provides protection against oils, liquids, and chemical splashes. Ideal for environments where fluid exposure is routine but flexibility is essential.

Thermal Protection in the Cold

Built with THERMtech® for work in low-temperature environments, delivering dependable insulation without bulk.
Keeps hands warm so precision and productivity don't drop with the temperature.

Touchscreen Compatible

Use devices without removing your gloves. Stay connected, efficient, and protected on the job.
