MaxiFlex® Elite™

34-275

Super lightweight, knitwrist 3/4 coated with micro-foam nitrile

360° Breathability thanks to AIRtech®

Featuring our patented micro-foam coating, these gloves keep your hands cool and dry by efficiently channeling moisture and heat away from the skin.

Precision You Can Feel

30% thinner than standard foam nitrile gloves. ERGOtech® delivers ultra-light, form-fitting gloves built for total control in dry conditions.

Form, fit, feel for reduced hand fatigue

Designed to mimic the natural “hand at rest” position, the glove reduces muscle strain and hand fatigue. Combined with an ultra-lightweight liner and smooth, rounded fingertips, it enhances comfort and fingertip sensitivity.

Touchscreen Compatible

Use devices without removing your gloves. Stay connected, efficient, and protected on the job.
