MaxiFlex® Cut™

42-8743FY

Designed for precision handling with added cut protection, this Hi-Vis yellow glove enhances safety in dry environments while maintaining the ultra-thin, flexible feel of MaxiFlex® . It incorporates high-performance cut-resistant fibers for added protection without compromising dexterity, while AD-APT® Cooling Technology activates with hand movement and heat to release a natural cooling agent that helps keep hands cool and dry.

Increased Cut Protection with Comfort

Increased cut resistance while staying thin, flexible, and comfortable. Reinforcement between the thumb and forefinger boosts durability in high-wear areas perfect for precision tasks in dry, cut-risk environments.

Exceptional Durability for Long-Term Use

Exceptional durability helping you reduce waste and replacement frequency thanks to our DURAtech® coating technology

360° Breathability thanks to AIRtech®

Featuring our patented micro-foam coating, these gloves keep your hands cool and dry by efficiently channeling moisture and heat away from the skin.

AD-APT® Cooling Technology

Heat-activated and motion-responsive. Keeps hands cooler, drier, and more comfortable.
