MaxiCut® Ultra™

89-5735CH

The MaxiCut® Ultra™ Sleeve extends cut protection, providing secure forearm coverage with added contact heat protection for tasks that demand both reach and reliability.

Made with CUTtech® fiber technology, it delivers ANSI A3 protection in a lightweight, flexible design that won't restrict movement. Whether reaching into machinery or handling sharp materials, this sleeve ensures protection from wrist to elbow and beyond. Featuring a seamless construction and part of ATG's HandCare® program, it is pre-washed, OEKO-TEX® certified, and dermatologically accredited for skin-safe, all-day comfort.

A3 Cut Protection

Built with CUTtech® fibers to deliver robust protection from sharp edges and metal parts, it is ideal for metalwork, maintenance, and machinery tasks.

Stay-Secure Fit

Integrated thumb system keeps the sleeve in place during movement.
No slipping, bunching, or distraction just secure, all-day coverage.

Forearm Coverage

Protects beyond the wrist while allowing full arm mobility.
Balanced length for a wide range of tasks without restricting movement.

Skin-Friendly & Pre-Washed

OEKO-TEX® certified, dermatologically accredited, and pre-washed for immediate skin-safe use. Part of the ATG® HandCare® programme for long-term wearer wellbeing.
