## MaxiChem® Cut™ 76-833

|                     |                                        |
|---------------------|----------------------------------------|
| Colour - Coating    | Green                                  |
| Colour - Liner      | White                                  |
| Design              | Gauntlet - 35 cm                       |
| Coating             | NBR (Nitrile Butadiene Rubber)         |
| Coating texture     | Micro-Foam with Non-Slip Grip          |
| Liner               | UHMWPE-Glass-Nylon, Polyester, Spandex |
| Palm thickness (mm) | 1.10                                   |

### Dimensions

|                                  | 7 (S) | 8 (M)  | 9 (L) | 10 (XL) | 11 (2XL) |
|----------------------------------|-------|--------|-------|---------|----------|
| A) Total glove length (+/- 5 mm) | 350   | 350    | 350   | 350     | 350      |
| B) Wrist length (mm)             |       |        | 1     |         |          |
| D) Palm width (mm)               | 102   | 109    | 120   | 120     | 127      |
| Overlock colour                  | Red   | Orange | White | Yellow  | Black    |

### EN Test Results

|                             | Notified body | Result/Pass |
|-----------------------------|---------------|-------------|
| EN ISO 21420:2020+A1:2024   | CTC           |             |
| EN 388:2016 + A1:2018       | CTC           | 4X21B       |
| EN ISO 374-1:2016 + A1:2018 | CTC           | JKLMNO      |
| EN ISO 374-5:2016           | CTC           |             |

### Typical Performance Values

|                                                              |                                                                                                          |
|--------------------------------------------------------------|----------------------------------------------------------------------------------------------------------|
| EN ISO 21420:2020 - General requirements - Dexterity         | Level 5                                                                                                  |
| EN 388:2016 + A1:2018 - A. Abrasion Resistance               | ≥ 8000 Cycles                                                                                            |
| EN 388:2016 + A1:2018 - B. Cut Resistance                    | X                                                                                                        |
| EN 388:2016 + A1:2018 - C. Tear Resistance                   | ≥ 25 newtons                                                                                             |
| EN 388:2016 + A1:2018 - D. Puncture Resistance               | ≥ 20 newtons                                                                                             |
| EN 388:2016 + A1:2018 - E. Cut Resistance ISO                | ≥ 5 Newton                                                                                               |
| EN ISO 374-1:2016 + A1:2018 - Permeation                     | 3 (>60 min)                                                                                              |
| EN ISO 374-1:2016 + A1:2018 - Permeation                     | 6 (>480 min)                                                                                             |
| EN ISO 374-1:2016 + A1:2018 - Permeation                     | 3 (>60 min)                                                                                              |
| EN ISO 374-1:2016 + A1:2018 - Permeation                     | 6 (>480 min)                                                                                             |
| EN ISO 374-1:2016 + A1:2018 - Permeation                     | 3 (>60 min)                                                                                              |
| EN ISO 374-1:2016 + A1:2018 - Permeation                     | 6 (>480 min)                                                                                             |
| EN ISO 374-5:2016 - Protective gloves against microorganisms | Protective gloves which form a protective barrier to microbiological agents. Not tested against viruses. |

# PRODUCT DATA SHEET

## MaxiChem® Cut™ 76-833

### HandCare®

Skin Health Alliance Dermatologically Accredited

REACH compliant

Sanitized®

OEKO-TEX® STANDARD 100

### Special features

Liquid proof

### Packaging

|                        |                 |
|------------------------|-----------------|
| Pairs per poly bag     | 12              |
| Poly bags per carton   | 6               |
| Carton count           | 72              |
| Carton dimensions (mm) | 500 x 295 x 270 |

### Weight

|                                  | 7 (S) | 8 (M) | 9 (L) | 10 (XL) | 11 (2XL) |
|----------------------------------|-------|-------|-------|---------|----------|
| Glove weight / pair (+/- 6 gram) | 144   | 109   | 158   | 164     | 170      |
| Gross weight (kg)                | 11.40 | 11.80 | 12.40 | 12.80   | 13.20    |
| Carton weight (kg)               | 1.00  | 1.00  | 1.00  | 1.00    | 1.00     |
| Net weight (kg)                  | 10.40 | 10.80 | 11.40 | 11.80   | 12.20    |
