MaxiCut® Ultra DT™

44-3455

MaxiCut® Ultra™ DT™ combines all the benefits of MaxiCut® Ultra™, including cut protection, comfort, and flexibility, with the added advantage of extra grip. Designed for precision tasks that require secure handling in demanding environments, its dotted palm enhances control and grip, making it ideal for tasks involving fine manipulation or slippery materials.

Offering ANSI A3 protection, DURAtech durability, AIRtech breathability, and CUTtech for enhanced cut resistance, MaxiCut Ultra DT ensures maximum safety without compromising dexterity.

Cushioned comfort for repetitive handling

The raised dot coating on the palm delivers extra cushioning, providing enhanced comfort for repetitive tasks and heavy handling. This helps reduce hand fatigue while maintaining flexibility and control.

Machine Washable at 104°F (40°C)

Designed for multiple wears, the glove maintains performance and hygiene after washing at 104°C (40°c).
Reduces waste, extends glove life, and lowers total cost of ownership.

360° Breathability thanks to AIRtech®

Featuring our patented micro-foam coating, these gloves keep your hands cool and dry by efficiently channeling moisture and heat away from the skin.

Touchscreen Compatible

Use devices without removing your gloves. Stay connected, efficient, and protected on the job.

AIR tech · CUT tech · ERGO tech · GRIP tech
