MaxiCut® Ultra™

44-6745FI

MaxiCut® Ultra™ with AD-APT® delivers high cut protection combined with impact defense for added safety in demanding environments. Specially molded shock absorbers on the back of the hand help reduce the risk of impact injuries, while the durable construction provides strong tear resistance and reliable mechanical performance.

Equipped with AD-APT Cooling Technology, the glove helps keep hands cool and dry during active use, supporting comfort throughout the working day. Dermatologically accredited and skin-friendly, it provides dependable grip, durability, and protection in a design built for demanding tasks.

A6 Cut Protection + Impact Protection

Certified to ANSI A6, this glove provides maximum cut resistance and added impact protection against knocks, bumps, and pinches.

Enhanced Grip

With an optimized micro-cup finish, GRIPtech® ensures a secure, controlled grip, minimizing slippage and enhancing safety.

Form, fit, feel for reduced hand fatigue

Designed to mimic the natural “hand at rest” position, the glove reduces muscle strain and hand fatigue. Combined with an ultra-lightweight liner and smooth, rounded fingertips, it enhances comfort and fingertip sensitivity.

Skin-Friendly & Pre-Washed

OEKO-TEX® certified, dermatologically accredited, and pre-washed for immediate skin-safe use. Part of the ATG® HandCare® programme for long-term wearer wellbeing.
