MaxiFoam® Lite™

34-900

MaxiFoam® 34-900 is a light, flexible glove for tasks requiring grip and dexterity when working with small, oily, or delicate components. Its ultra-light foam nitrile coating helps disperse light oils, while the fine-gauge liner supports tactile control. Suitable for day-to-day assembly, inspection, and maintenance work.

Mechanical Performance

MaxiFoam® delivers level 4 abrasion resistance and strong overall mechanical protection, supporting repeated use in industrial environments.

Comfort and Skin Friendliness

Minimal strikethrough reduces irritation and increases comfort levels.
