MaxiCut® Oil™

34-305

A lightweight glove designed for precision handling in oily environments where dexterity and protection are equally critical. Featuring a palm coating that repels oils and improves grip, it delivers EN 388 Cut Level B resistance for tasks involving light to moderate cut risks.

The glove's streamlined design enhances fingertip sensitivity, while GRIPtech® and CUTtech® technologies work together to provide control and confidence when handling slick or sharp components. With a reinforced thumb crotch and skin-safe construction, it's built for comfort and durability across long shifts.

Oil resistance

LIQUItech® provides protection against oils, liquids, and chemical splashes.

Cut Level B Protection

CUTtech® fibres offer protection against minor cuts and abrasions. Ideal for lower-risk, high-precision environments.

Secure Grip in Slippery Conditions

GRIPtech® micro-cup finish improves handling precision in wet, dry, or oily environments helping reduce accidents and fatigue.

Skin-Safe & Ready to Wear

Pre-washed, OEKO-TEX® certified, and dermatologically accredited. Part of ATG®'s HandCare® programme for skin health and user confidence.
