

MaxiFlex®

Elite™

42-274

Engineered to be 30% thinner than standard foam nitrile gloves, MaxiFlex® Elite™ is ultra-light and delivers exceptional breathability and flexibility without compromising durability or grip. Powered by AD-APT® Technology, it helps keep hands cool, dry, and comfortable during extended wear.

At just 14 grams, this glove is ideal for high-precision tasks where maximum dexterity is essential.

Precision You Can Feel

30% thinner than standard foam nitrile gloves. ERGOtech® delivers ultra-light, form-fitting gloves built for total control in dry conditions.

Form, fit, feel for reduced hand fatigue

Designed to mimic the natural "hand at rest" position, the glove reduces muscle strain and hand fatigue. Combined with an ultra-lightweight liner and smooth, rounded fingertips, it enhances comfort and fingertip sensitivity.

AD-APT® Cooling Technology

Heat-activated and motion-responsive. Keeps hands cooler, drier, and more comfortable.

Touchscreen Compatible

Use devices without removing your gloves. Stay connected, efficient, and protected on the job.
