

MaxiCut® Ultra™

44-3745FY

MaxiCut® Ultra™ Cut Level C offers reliable cut resistance in a lightweight, flexible design engineered for precision, control, and long-shift comfort and h-vis yellow for additional visual safety.

Crafted with advanced CUTtech® fibres for EN 388:2016 Cut Level C protection, it's ideal for handling sharp components while maintaining dexterity. The palm-only coating keeps grip secure where it's needed, while AIRtech® ensures 360° breathability for cooler, drier hands.

High Visibility for Enhanced Safety

Bright yellow liner improves visibility in busy or low-light environments. Ideal for high-risk sites where hand visibility boosts overall safety.

360° Breathability thanks to AIRtech®

Featuring our patented micro-foam coating, these gloves keep your hands cool and dry by efficiently channeling moisture and heat away from the skin.

Cut Level C Protection

Built with CUTtech® fibres to deliver robust protection from sharp edges and metal parts ideal for metalwork, maintenance, and machinery tasks.

Exceptional Durability for Long-Term Use

Exceptional durability helping you reduce waste and replacement frequency thanks to our DURatech® coating technology
