MaxiCut® Ultra™

89-5745T

The MaxiCut® Ultra™ Sleeve extends cut protection providing secure forearm coverage for tasks that demand both reach and reliability.

Made with CUTtech® fibre technology, it delivers EN 388:2016 Cut Level C protection in a lightweight, flexible design that won't restrict movement. Whether reaching into machinery or handling sharp materials, this sleeve ensures you stay protected from wrist to elbow and beyond. Featuring a seamless construction and part of ATG®'s HandCare® programme, it is pre-washed, OEKO-TEX® certified, and dermatologically accredited for skin-safe, all-day comfort.

Cut Level C Protection

Built with CUTtech® fibres to deliver robust protection from sharp edges and metal parts ideal for metalwork, maintenance, and machinery tasks.

Extended Coverage

Longer sleeve length safeguards more of the arm without restricting movement.
Perfect for applications involving sharp materials, metal edges, or repetitive motion.

Machine Washable at 40°C

Designed for multiple wears the glove maintains performance and hygiene after washing at 40°C. Reduces waste, extends glove life, and lowers total cost of ownership.

Skin-Friendly & Pre-Washed

OEKO-TEX® certified, dermatologically accredited, and pre-washed for immediate skin-safe use. Part of the ATG® HandCare® programme for long-term wearer wellbeing.
