MaxiCut® Ultra™

44-3755

MaxiCut® Ultra™ Cut Level C offers reliable cut resistance in a lightweight, flexible design engineered for precision, control, and long-shift comfort.

Crafted with advanced CUTtech® fibres for EN 388:2016 Cut Level C protection, it's ideal for handling sharp components while maintaining dexterity. The palm-only coating keeps grip secure where it's needed, while AIRtech® ensures 360° breathability for cooler, drier hands.

Trusted Cut Protection – Level C(A3)

Delivers reliable cut resistance, ideal for tasks involving moderate to high cut risks. A dependable choice for light-to-medium duty handling in industrial settings.

360° Breathability thanks to AIRtech®

Featuring our patented micro-foam coating, these gloves keep your hands cool and dry by efficiently channeling moisture and heat away from the skin.

Exceptional Durability for Long-Term Use

Exceptional durability helping you reduce waste and replacement frequency thanks to our DURAtech® coating technology

¾ Coated for Extended Coverage

The coating extends over the knuckles for added protection against rough surfaces, grime, and abrasion. Enhanced durability without compromising flexibility.
