MaxiCut® Ultra DT™

52-3445

All the benefits of MaxiCut® Ultra™, including cut protection, comfort, and flexibility, with the added advantage of extra grip and AD-APT® Cooling Technology. Designed for precision tasks that require secure handling in demanding environments, the dotted palm enhances grip and control for tasks involving fine manipulation or slippery materials.

With ANSI A3 protection, DURAtech® durability, AIRtech® breathability, and CUTtech® for enhanced cut resistance, MaxiCut Ultra DT with AD-APT ensures maximum safety without compromising dexterity or comfort.

Cushioned comfort for repetitive handling

The raised dot coating on the palm delivers extra cushioning, providing enhanced comfort for repetitive tasks and heavy handling. This helps reduce hand fatigue while maintaining flexibility and control.

Machine Washable at 104°F (40°C)

Designed for multiple wears, the glove maintains performance and hygiene after washing at 104°C (40°c).
Reduces waste, extends glove life, and lowers total cost of ownership.

AD-APT® Cooling Technology

Heat-activated and motion-responsive. Keeps hands cooler, drier, and more comfortable.

Touchscreen Compatible

Use devices without removing your gloves. Stay connected, efficient, and protected on the job.
