MaxiCut® Ultra™

44-4755D

MaxiCut® Ultra™ Cut Level D reliable cut resistance in a lightweight, flexible design engineered for precision, control, and long-shift comfort and extended hand length for greater coverage.

Crafted with advanced CUTtech® fibres for EN 388:2016 Cut Level D protection, it's ideal for handling sharp components while maintaining dexterity. The palm-only coating keeps grip secure where it's needed, while AIRtech® ensures 360° breathability for cooler, drier hands.

Precision with Cut Resistance D

CUTtech® fibre technology provides EN 388:2016 Cut Level D (ANSI Cut - A4) protection. Thinner, softer construction for precision handling without the bulk.

AD-APT® Cooling Technology

Heat-activated and motion-responsive. Keeps hands cooler, drier, and fresher

Precision Grip in Dry Conditions

A lightweight palm-coated design delivers excellent control, dexterity, and touch sensitivity. Perfect for dry environments where accuracy matters.

Skin-Safe & Washable at 40°C

OEKO-TEX® certified, dermatologically accredited, and pre-washed for immediate skin-safe use. Part of ATG®'s HandCare® programme. Designed for multiple wears, maintaining hygiene and performance after washing at 40°C to reduce waste and extend glove life.
