MaxiCut® Ultra™

52-6745FI

MaxiCut® Ultra™ Cut Level F with Impact Protection and AD-APT® combines high cut resistance (EN Cut Level F) with advanced hand and finger impact guards for superior hand safety. Featuring AD-APT® cooling technology that activates with hand movement and heat, it keeps your hands cool and dry during long shifts. Built with durable DURAtech® and CUTtech® fibres, plus impact-resistant reinforcements, it delivers reliable cut and impact protection with reduced hand fatigue.

Impact Protection Built In

Reinforced back-of-hand protection designed to absorb and deflect impact energy. Ideal for applications where crush, knock, or pinch risks are present.

Cut Level F Protection

Engineered with CUTtech® fibre technology to provide EN 388:2016 Cut Level F protection the highest level under the standard. Ideal for high-risk tasks involving sharp, heavy, or hazardous materials.

360° Breathability thanks to AIRtech®

Featuring our patented micro-foam coating, these gloves keep your hands cool and dry by efficiently channeling moisture and heat away from the skin.

AD-APT® Cooling Technology

Heat-activated and motion-responsive. Keeps hands cooler, drier, and fresher
