

NovaTril®

24-195

Novatril® 24-195 features a longer cuff for added wrist and lower-arm coverage during handling of wet, oily or abrasive materials. The tough nitrile coating and cotton liner combine durability with basic comfort, making it suitable for general maintenance and industrial applications requiring extra reach.

Durable Nitrile Coating

The light but tough nitrile coating provides dependable protection and supports precision handling without added bulk.

Comfortable Liner

The seamless cotton liner enhances wearer comfort and reduces irritation, supporting longer periods of continuous use.
