

MaxiTherm®

30-202

MaxiTherm® 30-202 is designed for regular handling tasks where cold exposure is common. The 3/4 latex coating provides secure grip, and the soft brushed liner adds warmth and comfort throughout the shift. With a simple, form-fitting design and breathable construction, it supports everyday work in cold stores, outdoor settings and chilled environments.

Thermal Comfort

The brushed seamless liner is soft, comfortable and helps retain warmth in cold conditions, supporting productivity in low-temperature environments.

Grip Performance

The Non Slip Grip surface improves handling in wet applications, enhancing control and reducing the risk of slippage.

Technical information

Product information

Design

¾ coated knitwrist

Length (Size 10)

260 mm

Thickness

2.50 mm

Sizes

6-11 (XS-2XL)

Washable

40°C/104°F (3 washing cycles)

Features

- Silicone free
